Ahmed Abd Elmoneim Mohamed Abd Elmoneim
UI/UX Designer

ahmedabdalmanaem49@gmail.com | +201157466902 | Giza, Egypt | Portfolio | LinkedIn

SUMMARY

"As a UI/UX Designer, I specialize in creating intuitive, user-centered interfaces and seamless digital experiences using Figma. Passionate about combining design with functionality, I deliver impactful solutions like the 'MindShift' app, focusing on user engagement and optimizing user experience to achieve meaningful results."

PROFESSIONAL EXPERIENCE

UI-UX Designer Internship, CodSoft   12/2024 – present
- Designed user flows and prototypes for apps and e-commerce platforms.
- Built interactive interfaces like restaurant menus and onboarding flows.
- Improved usability testing and responsive design practices.

UI-UX Designer, Freelancer   01/2023 – present
I worked as a freelance developer on several projects, including:
- *"**Adama Energy Website**" for a Turkish solar energy company, completed in January 2023 using Webflow.*
- *"**Real Estate Website**" for a company in Georgia, completed in May 2023 using Figma.*
- *"**Therapy Gate**," related to mental health (App & Website), completed in May 2023 using Figma.*

Call Center Agent, Vodafone   06/2021 – 10/2021 | Cairo
Handled internet issues, developed problem-solving and communication skills, and managed difficult clients while troubleshooting technical problems.

EDUCATION

Bachelors Of Media Science, International Academy For Engineering and Media Science (IAEMS)   09/2019 – 06/2023 | Cairo, Egypt
Graduated with a GPA of 3.92/4 (Excellent with honors) in the Multimedia Department. Developed the "MindShift" app for mental health and personal development as my graduation project, using Flutter and Firebase.
